# JAMESTOWN SAVINGS BANK ICE ARENA TEDDY BEAR TOURNAMENT RULES

1. JSBIA has adopted a zero tolerance policy. Abusive and aggressive language will not be tolerated by spectators, parents, coaches or players. Anyone deemed to be in violation of this policy may be asked to leave the arena.
2. There is no official check in. We will not be checking CEP cards for coaches or birth certificates for players.
3. The tournament will have 3 divisions—mini mite, mite A (higher skill level) and mite B (similar to a B select/house team) with 12 teams each.
4. Coaches will be provided with gifts bags for each player following your first game
5. Every team should be at the rink at least one half hour before your scheduled time to play. We will start the next game immediately after the game before is finished. Teams will have 3 minutes to warm-up on the ice before play begins.
6. Games will be played cross ice.
7. The games will be 40 minute run time periods. There will be a three-minute intermission between periods. A horn will sound every 3 minutes to indicate line change. There will be no time outs in the run time games.
8. Small nets will be used. Each team will play with five (5) players and no goalie. No player is allowed to assume the position of the goalie during play. Face offs are at the center of the playing area. One Coach per team can be on the playing surface (with a helmet), the others are on the “bench”, off to the side of the playing area. Only coaches that have been previously identified are allowed to be on the ice when their team is playing. All other spectators (parents, siblings, grandparents, etc.) must be in the spectator areas of the rink and are not permitted to be on the ice, in the bench area, or by the scorer’s booth.
9. Referees are upper level youth hockey and Junior A players. Please be patient as they are volunteers and are not certified referees. They have been instructed that they are not to call penalties but if they witness a child commit a penalty (ie: checking, tripping, etc.) they are to instruct the child to refrain from such play and/or advise the coaching staff of a concern about the child’s style of play. Please be courteous to the referees and work with them to ensure a safe and enjoyable experience for all the players.
10. The ice will be resurfaced after every fourth game. Help from coaches in setting up afterwards is greatly appreciated
11. Every player in the Teddy Bear Tournament will receive a participation medal. When a team has played their last game of the weekend, the team will be asked to move to the center ice area for an awards presentation. Each player will be introduced and asked to come forward to receive their medal. Ideally, we ask that the team’s coach or manager do the announcing so we do not mispronounce a child’s name but we will have an announcer available if needed. Parents are welcome to come to the bench area to take photos of their child receiving their medal during this time only.

12. T-shirts and Photographs will be available for sale in the main lobby during the tournament.
13. A raffle table will be set up with the drawings being made at noon on Sunday. The raffle table will also act as our "lost and found" location.
14. Teams are responsible for leaving locker rooms in a clean and orderly manner.
